

Missile Base Danger Is Topic

"Tucson, the H-Bomb and the Atlas Missile" will be the subject of a talk by Dr. James E. McDonald at 8 p.m. Sunday in the Santa Rita Hotel.

McDonald, professor in the Institute of Atmospheric Physics, University of Arizona, will discuss the danger in which Tucson would be placed in an attack if an international ballistic missile base is constructed here.

The meeting is sponsored free of charge by the Tucson Humanists Assn. The-public is welcome.
