

## *Brandeis Luncheon Planned*

A panel discussion on "The Well Rounded Conformist" will highlight the Life Membership Luncheon of the Tucson chapter of the Brandeis University National Women's Committee at noon Monday, Apr. 9, at the Pioneer Hotel Ballroom.

Panelists will be Dr. Lindsay E. Beaton, neuro-psychiatrist; Dr. Paul Allen, assistant dean, University of Arizona College of Education; Dr. Thomas Martin, dean, UA College of Engineering; and Dr. James McDonald, senior physicist, UA Institute of Atmospheric Physics.

Mrs. Nathan Kolins, program chairman, will introduce the panelists.

Mrs. Michael Catalda, luncheon chairman, has announced the following new life members of the committee: Mmes. Anna Gabbe, Herbert Goldman, Bernard Goldstein, Sam Kern, Hy Klebanow, Sophie Kuperman, Ben Lazarow, Jack Nevins, Bernard Pasternak, Donald Pitt, Benjamin Segal and Jules Whitehill.
